Back to Back to BACK #1 Middle School in MS

Excellence in education is more than a goal at Madison Middle School; it is a tradition. For three consecutive years, Madison Middle School has earned the distinction of being the No. 1 middle school in the state of Mississippi based on testing data from the Mississippi Department of Education (MDE), highlighting the school's continued commitment to academic achievement and student success.

This remarkable accomplishment reflects the collective efforts of students, teachers, administrators, parents, and the Madison community. Through high expectations, dedicated instruction, and a focus on helping every student reach their full potential, Madison Middle School continues to demonstrate what is possible when a school community works together toward a common goal.

Behind every test score is a team of educators committed to making a difference. Madison Middle School teachers work each day to engage students, strengthen foundational skills, encourage critical thinking, and create an environment where learning and achievement are priorities. Students rise to the challenge by embracing high expectations and striving for excellence.

While earning the top ranking is a tremendous accomplishment, the school's mission extends beyond test results. Madison Middle School is committed to developing well-rounded students who are prepared to succeed academically, grow as individuals, and make meaningful contributions to their communities.

Three consecutive years at the top represent more than a ranking. They reflect a culture of excellence, a commitment to continuous improvement, and the hard work of an entire school community. As Madison Middle School celebrates this milestone, its students, faculty, staff, families, and supporters can take pride in an achievement that showcases the power of tradition, teamwork, and a shared vision for educational excellence.

MMS Spectacular Grounds!

A big THANK YOU to the Madison Middle School Grounds Committee for giving our flower beds a fresh fall touch! After beating the heat through the dog days of summer, our campus is looking beautiful and ready for the new season. We are so grateful for the time, hard work, and care you put into making Madison Middle School a welcoming place for our students, staff, and visitors!

Your PTO Dollars at Work

PTO funding helped make a brand-new scoreboard in the MMS gymnasium possible, enhancing the experience for our students, athletes, and school community.

Teacher Appreciation

A big thank you to our Teacher Appreciation Committee and the 6th grade for sponsoring a fun tailgate lunch for our teachers and staff! We appreciate your generosity and the extra effort you put into making our teachers feel valued and celebrated. We look forward to another great lunch in October, sponsored by our 7th grade!
