Support MMS, Join the PTO Today!

The Madison Middle School PTO supports the school financially, academically, and logistically through volunteer service and fundraising efforts.

What your PTO membership supports

- Our fundraising efforts help fund technology, facility improvements, and campus projects.
- We also promote student success by providing state testing support, sponsoring academic rewards, and funding an annual art grant.
- In addition, we show our appreciation for our dedicated staff by hosting monthly recognition events.

None of this would be possible without the generous support of our PTO members and community partners.

Counselors are here to help

Your grade-level counselors are here to help you navigate academic, social, and emotional issues.

Primarily, your counselor will monitor grades and behavior and will work with students to devise plans of action for success. If your student is struggling with a relationship, your counselor can assist them in facilitating dialogue that will allow your student to develop skills to communicate.

Your counselor serves as a liaison that will support your student in decision-making, conflict resolution, and handling social situations. Our school counselors are well-versed in assisting students with their age-specific social issues and will serve as a guide through their transition from childhood to teenager.

MMS STUDENT
TRANSPORTATION DETAILS

Please encourage your child to actively watch for your vehicle during afternoon dismissal.

When picking up your child, please pull your vehicle forward as far as possible. Your child will walk down the line to your vehicle. This process helps keep traffic from backing up onto Hwy. 463 and allows traffic to continue moving efficiently.

For our 6th-grade families, car riders will be moved to the front circle at approximately 3:30 p.m. each day. Once buses begin departing from the south end of campus, 6th-grade students will no longer be picked up in that area due to safety concerns. If you arrive on campus at 3:30 p.m. or later, you will be directed to the front circle for student pick-up.

Thank you for your cooperation and for helping us provide a safe and efficient dismissal process for all students.

What if I need to change my child's transportation for the day?

Call the front office at 601-605-4171 prior to 2:30 p.m. and let them know about any transportation changes (e.g. "My child needs to be a car rider today."). The front office will get the message to your child before the dismissal bell.

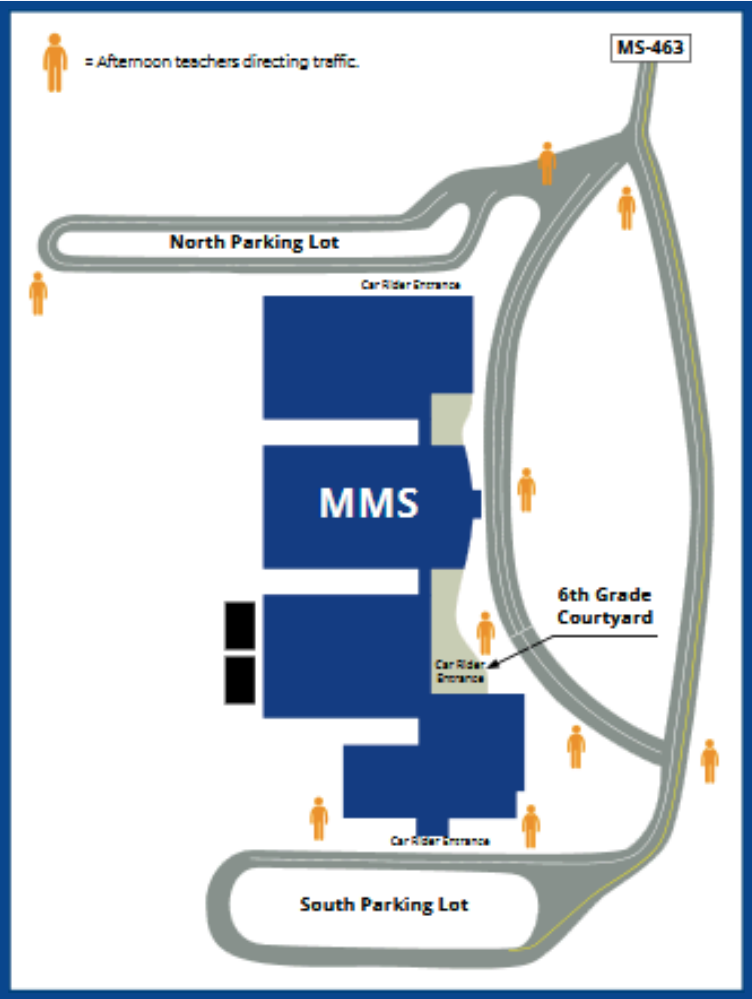

Please note that any time a student needs to ride a bus, they need an official "orange transportation change" note from the front office.

Bus drivers are required to collect this note prior to letting the student on the bus. Send a note from home about the details of the transportation request to the front office, and they will write the official note for your child to give to the driver.

Real-time bus updates

Track your child's bus in real-time using the BusZone App. This is the most efficient way to get live updates about your child's bus status.

For information on how to set up the app or for more information about student transportation services:

CAR-RIDER LINE AFTERNOON
PICK-UP INFORMATION

- **8th grade:** Once on MMS campus, turn right immediately and follow the traffic around to the north side of the school.
- **7th grade:** Veer slightly to the right to the front circle of the school, by the white pillars.
- **6th grade:** Stay straight, and you will see a double line of cars. Once students are dismissed at 3:20, cars will take turns merging to form one line. The 6th-grade car rider line is on the south side of the school. At 3:30, the remaining 6th graders, usually only about 25 or so, will move to the front car rider line.
