MMS STUDENTS CONTINUE TO EXCEL

More than 70 8th-grade students recently achieved "Future 30+ Club" status, as evidenced by their score on the Pre-ACT in October.

The 7th and 8th-grade robotics team hosted a competition on Feb. 7. Among the many winners from MMS were tournament champions, Sumanth Vuyyuru, Ian Zhang, Kingston Zhoa, Edison Lam, Brandon Zhu, Zoey Yan, Noor Mbouombouo and Lucy Zhu.

McKinley Hutto was named the "DAR 6th-Grade American History Video Essay State Winner" for the Mississippi State Society of the Daughters of the American Revolution!

Congratulations to Jack Wilson for winning the Madison County Scripps Spelling Bee, and to Henry Wilson for placing third! Best of luck to them both as they advance to the regional competition in February!

MMS participated in the Pathways Chess Tournament on Jan. 16. Representing the 6th grade, Tyler Furr won second, Matthew Barry won third, and Neil Bennett and Jep Ladner finished in the top five. 7th graders Drew Berry, Joshua Jeff and Noah Strange also took home the top three prizes, respectively.

STATE TESTING COMING SOON

As we prepare for upcoming state testing, consistent attendance and punctuality are especially important. Thank you for helping your child arrive on time and ready to do their best each day. Volunteer proctor information will be shared soon. Stay tuned for additional details.

JAG BASKETBALL ADVANCES TO SWEET SIXTEEN

In January, the Jaguar boys' basketball team competed in the 48-team MHSAA Middle School Basketball Tournament at Southwest Community College, where they defeated Woolfolk (Yazoo City) 40-37 and Gautier (Pascagoula) 47-12. The Jags then advanced to the Sweet Sixteen, which, unfortunately, was cancelled due to the winter weather. Congratulations, Jags, on a fantastic season!

MMS CELEBRATES NATIONAL SCHOOL COUNSELORS WEEK

left to right: Karen Boutwell, Lindsay Bouchillon, and Lindsey Montgomery

National School Counselors Week is a time to celebrate the incredible impact our school counselors have on students every day. Their guidance, encouragement, and support help students grow academically, socially, and emotionally. We are so grateful for their dedication and the positive difference they make in our school community.

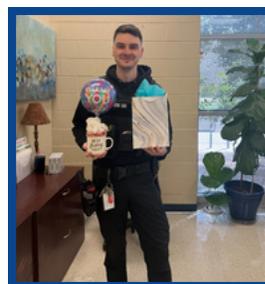

Karen Boutwell serves as the 7th-grade counselor. Lindsay Bouchillon is the 6th-grade counselor, and Lindsey Montgomery is the 8th-grade counselor. Thank you for your compassion and commitment to helping shape a brighter future for all MMS students!

CLASSROOM IN ACTION

Shoutout to the MMS 7th-grade math team for taking learning beyond the classroom! This semester, students are actively engaging in an interactive hallway spiral review—reviewing skills, discussing math concepts, and deepening understanding with peers. This approach builds strong math foundations and essential soft skills that support lifelong success.

MMS RECOGNIZES OFFICER GIBSON

Officer Resource Day is a special opportunity to recognize the important role our School Resource Officers play in keeping our campus safe. Their presence helps create a secure, positive environment, where students can focus on learning and growing. We are grateful for their dedication, leadership, and commitment to our school community. Thank you, Officer Gibson, for your service to Madison Middle School.
